**Ouachita River Valley Group Deserves Cash Help From Hempstead**

About That Time  
Professor: Study hard, pupils. The examination papers are already in the hands of the printer. Now, are there any questions?  
Voice from rear: Yeah, who's the printer?

The Star contributes annually to the Ouachita River Valley association and our 1954 remittance drew the following rejoinder from H. K. Thatcher, executive vice-president, with headquarters at Camden:

"I appreciate very much your check for \$50. We are hopeful that some other people in Hope will see fit to aid the association at this time.

"I am making another trip to Washington, leaving this coming Saturday, and I will give much of my time while in Washington to the Little Missouri river and Ozark creek project.

"Someone had to do these things and it costs money. Anything you can do to help us get some additional expense funds from Hempstead county will be appreciated."

Your editor's interest in river valley development and water control goes back many years to the story of the late Adolph Felsenthal and his successful fight to obtain locks and a navigation channel on the Ouachita river to Camden. It was one of the first stories I learned on coming to Arkansas, and so of course I have a soft spot for the Ouachita River Valley association, an outfit that has been doing business since 1893 — and which deserves support right here in Hempstead county in 1954.

Ordinarily you help river valley organizations as a matter of general principle, believing they help America as a nation — but if you help them long enough some part of their public works usually lands in your own territory.

For instance, the Ouachita group was founded back in 1893 and for many years devoted most of its efforts to getting a barge channel established on the main river. But in 1954 the Eisenhower budget set up 5 million dollars for the whole Ouachita basin — and half a million (\$492,000) of this was earmarked to complete flood control and drainage works on the lower Little Missouri river and Ozark creek in our own trade territory.

For whatever benefits these bring us we owe a suitable contribution to the Ouachita group — and we owe it now.

Make out your check to Ouachita River Valley Ass'n, and mail it to 1186 Jefferson av., S. W. Camden, Ark. — or you can leave it at The Star office and we'll forward it.

## Southern Governors to Confer

OKLAHOMA CITY (AP) — Gov. Johnston Murray said today he has been asked to call a special meeting of the Southern Governors' Conference to discuss the effect of the U. S. Supreme Court opinion knocking out segregation in common schools.

Murray, chairman of the 17-state conference, said his decision calling the emergency session, probably will be made today.

The governor said he has telephone calls placed to several Southern governors to discuss the meeting which was requested by Gov. Charles Johns of Florida. If called, the meeting probably will be held in Oklahoma, Texas or Louisiana, he said.

Murray said he could see no particular justification for the proposed meeting but might change his mind after talking to other governors.

Kansas, Missouri and the District of Columbia, where segregation of Negroes in schools also is practiced but who are not in the conference, would probably be invited to attend the special meeting, if it is called, he said.

Murray pointed out the meeting could not accomplish much except discuss solutions to the common problem.

## Revenue Dept. Tightens Policy

LITTLE ROCK (AP) — A new policy has been adopted by the Arkansas Revenue Department to tighten collection of sales tax on automobiles.

In the future, persons who buy cars out of the state will have to pay sales tax or sign affidavits that the purchases were from individuals, rather than from dealers.

No tax is charged when an individual sells a car.

However, Revenue Commissioner Vance Scurlock said yesterday that some dealers have sold cars and told the buyers to report that they bought their vehicles from out-of-state individuals.

Scurlock estimated that the state has been missing about \$10,000 a year in tax on such transactions.

REACTION — Georgia's Atty. Gen. Eugene Cook, left, is maintaining position that U. S. Supreme Court decision outlawing school segregation "does not apply in Georgia." Cook contacted attorney general of 17 other states and was told by each that they would definitely not intervene in the segregation case without further litigation. At Austin, Education Commissioner J. W. Edgar, right, said Texas will go along with decision. "Careful legal guidance will have to be given and followed by Legislature," he said, "because Texas laws require segregation of races." — NEA Telephoto

## Red Foothold on Continent Is Called Terrible

WASHINGTON (AP) — President Eisenhower, commenting on shipment of arms from Red Poland to Guatemala, said today it would be a terrible thing if a Communist dictatorship were established on this continent.

Eisenhower made the statement at a news conference in which he also said he has no intention of rescinding or relaxing his order prohibiting disclosure of what went on at a Jan. 21 meeting of high administration officials dealing with the Army-McCarthy dispute.

He denied that the order was designed to halt the Senate inquiry into the row between Sen. McCarthy (R-Wis) and the Army. He said he wants the hearings continued until all of the main issues have been resolved. With emphasis he said is for letting the chips fall where they may and for getting the facts out.

As for the situation on Guatemala, the President was questioned with relation to the State Department announcement Monday night that quantities of arms have been shipped to that Central American country from the port of Stettin in Communist Poland.

Eisenhower called that disturbing, and added that the situation highlighted the reasons why an anti-Communist resolution recently was adopted at the Inter-American Conference in Caracas.

Then he said that to have a Communist dictatorship established as an outpost on this continent would be a terrible thing.

On other subjects the President said today.

SEGREGATION — In a response to a question, the President said he has not the slightest advice for the South on how to carry out the Supreme Court decision holding that segregation of whites and Negroes in public schools is unconstitutional.

The President added, however, that he has sworn to uphold the Constitution on Page Two

Reds Praise Ruling on Segregation

LONDON (AP) — The American Supreme Court decision outlawing segregation in U. S. public schools has won a good press over the non-Communist world, something the United States frequently doesn't get.

In India, seat of much anti-American feeling, non-Red members of Parliament acclaimed the decision as unanimously as the judges had ruled. The powerful Indian Express chain of newspapers in New Delhi, Bombay and Madras welcomed the ruling as a "healthy change in enlightened American opinion."

London's Laborite Daily Herald said the anti-segregation ruling "will make every friend of humanity and every believer in democracy cheer." It termed the decision a "great liberal victory and a sign that America is going the right way about a problem it does not always recognize for what it is — a colonial problem within its own borders."

The frequently anti-American London tabloid Daily Mirror said the ruling would "rank in sociological significance with Lincoln's Emancipation Proclamation."

In Paris, the Neutralist Le Monde, which also often criticizes America, devoted its regular front-page editorial to praise of the decision. The ruling, it said, "marks the victory of justice over race prejudice, a victory for democracy."

## Girl Scout Troop No. 3 Plans a Window Display

Girl Scout Troop 3 under the leadership of Mrs. J. Fred Gresham and Mrs. Jim Cole has completed another year of work and will have a window display in the Arkansas Louisiana Gas Company.

The girls want to thank the B. & P. W. club for sponsoring them and Mrs. John Keck for helping them with their handicraft work.

Nearly all of the girls are First Class Scouts and will be awarded their badges in the fall 1954 "Court of Awards" Scout meeting given by the Girl Scout Council.

Through this program castor bean farmers are assured of a market for their product. In the event there is not commercial market available, all hulled beans will be purchased by the Hempstead County ASC committee upon presentation of a warehouse receipt to the county ASC office. The Hulling Center is located at Lewisville Arkansas and warehouse receipts will be issued there when the beans are hulled.

There is a supply of planting seed at the county ASC office now and any farmer in the county may secure these seeds for planting purposes by contacting the local county office.

The cost of the seed will be 14 cents per pound and since ten pounds of seed per acre is recommended for planting purposes, the cost of seed per acre will be only \$1.40.

In view of the fact that planting time is here all interested farmers are urged to contact the county ASC office immediately for seed and further information.

Border Walker Near End of Trip

JONESBORO (AP) — Arkansas' border walker, 20-year-old Dan Marsh of Arkansas State College, is expected to finish his 1,150 mile trip around the state next Monday or Tuesday.

Marsh said in a letter to the Jonesboro Sun that he was at Gabrielle on Lake Norfolk in north central Arkansas.

Marsh said in his letter that he expects to return to the spot three miles east of Paragould where he started the trek Feb. 21.

So far, the biology student has traveled more than 1,000 miles.

Marsh said that in some sections he doesn't make his usual average of 16 to 20 miles a day because of people stopping him to talk or invite him to their homes for meals and lodging.

## Castor Bean Production Encouraged

The Government is encouraging the production of castor beans in certain designated areas of Arkansas in an effort to increase production to meet our defense needs.

Hempstead and other counties of S. W. Arkansas are in one of the designated areas. In order to encourage increased castor bean production in Arkansas the Commodity Credit Corp. is offering to support the price of beans this year at 60 per lb. on a hulled basis.

Through this program castor bean farmers are assured of a market for their product. In the event there is not commercial market available, all hulled beans will be purchased by the Hempstead County ASC committee upon presentation of a warehouse receipt to the county ASC office. ## Segregation Time Limit to Be Aired Nov. 12

WASHINGTON (AP) — The Supreme court is making plans to hear arguments on Oct. 12 — the earliest possible date — on the form of final decrees to carry out its decision ending segregation of Negroes and whites in public schools.

Court Clerk Harold B. Willey said today he hopes the arguments can be completed in one day. The nine justices will then weigh the matter in closed conference before issuing the decrees, perhaps shortly after the arguments, possibly months later.

The court, after ruling Monday that segregation of public school pupils because of race violates the constitution, permitted delay in the final decrees to give officials in the 17 Southern and Border states affected time to work out plans for segregation.

District of Columbia officials announced yesterday they planned to integrate schools by the opening of this new fall term. President Eisenhower was quoted as expressing an interest and asking to be kept informed on progress.

Nothing in the court's opinion prevents such steps to end segregation immediately.

## All Around the Town

By The Star Staff

Last night this reporter was barred from a part of the City Council meeting for the first time in many years. . . . In fact only one other mayor ever barred the press that we can recall. . . . Judgment and discretion of the Star staff has always been fair as possible in personal matters. . . . if it hadn't been we would have been barred from more meetings. . . . last night's executive session was about personnel but strangely no names were mentioned. . . . the council simply voted 7 to 1 to hire four men in as many departments to fill in during vacation time. . . . and the group voted to pay \$75 monthly to a semi-retired Negro Water and Light Plant employee. . . . so the Street, Police, Fire Departments and the Water and Light Plant will probably hire new men in the very near future. . . . and that's what the meeting was about. . . . this is purely a guess but we wouldn't be surprised if some of the new employees weren't pretty fair baseball players.

Senior Ladies Auxiliary of the United Baptist Church will sponsor a bake sale Friday, May 21, at 7-9326 or 7-2944 not later than

May 20 for your order of pies and cakes.

The Diamond Cafe fixtures have been sold to a Mr. Harvey of Mena, Arkansas. . . . just what his plans are could not be affirmed but it is reported he will reopen the cafe.

Mrs. C. C. McNeill, Mrs. Paul Riley and Mrs. Ira Yocum are attending fall fashion market in Dallas and Mrs. Virginia Hosmer returned from the Dallas showing last night.

Southwestern Log Rollers will hold a meeting in Arkadelphia Thursday, May 20 at 7 p. m. . . . it's a family night affair.

## French Nurse Free to Leave Reds Assert

HANOI (UP) — The Communist Dien Bien Phu" told her today she is free to leave the Red-held fortress of Dien Bien Phu at 8 o'clock here said she apparently has chosen to remain with the captured wounded of the fallen French garrison.

The handful of French Union wounded airlifted back to freedom said the valiant nurse, who was the only woman in Dien Bien Phu during its 56 days of savage siege and final fall, had indicated she wanted to stay on in the fallen fortress until all the wounded are evacuated.

French officials said those reports said Genevieve had been told she could fly to freedom on the "Lilliput" airlift the Reds have permitted the French to set up. But Genevieve, they said, told them she would stay on.

## Highway Bids to Be Opened

LITTLE ROCK (AP) — The Arkansas Highway Commission will meet here tomorrow to open bids on about two and a half million dollars in construction and hear 10 delegations seeking improvements in trafficways.

Among the delegates will be the Conway Young Businessmen's Association, which will ask reinstatement of ferry service across the Arkansas River at Toad, Suck.

Operation of the ferry was discontinued shortly after World War II when the Highway Department said there wasn't sufficient traffic to justify the cost. As a result, Highway 180 just runs up to the river bank on each side with no crossing.

## Inventor of Cinerama Dies

By The Associated Press  
HUNTINGTON, N. Y. — Fred Waller, 68, who invented "Cinerama," a process of movie projection giving a three-dimensional illusion and who had worked in the film industry for 40 years as a photographer research technician and producer. Born in Brooklyn. Died Tuesday.

A green flame may be produced by sprinkling barium salts on a fire.

"Now ... how about your insurance? You know our state law. Either you carry insurance or you prove that you have a financial ability of \$10,000."

"Well ... I'll just get insurance," Ricky said.

"No insurance company will write you up," his father said. "Not until you're 21. You'll need me or some other adult to get that insurance for you. And even then there's a question whether you'll get it."

"Suppose I don't get any insurance?" Ricky demanded. "All right," his father said. "Let's assume you are in an accident, someone is injured, and you are sued for damages. And we'll suppose the court upholds the judgment—let's say for \$20,000."

"The first thing that will happen, you'll lose your license and your car. There isn't much more that can be done until you're 21, but you reach manhood with a mortgage on your life. The people who have the judgment against you have first claim on everything you own and everything you earn. It might take the rest of your life to pay it off."

Ricky had no answer to that. They had him again.

"However," his father continued, "I wouldn't allow you to drive without insurance. Not so much for your protection, as for the protection of anyone you might injure. If I use the insurance factor to make you give up the car, you'll feel I tricked you. I want you to keep the car—if you can. But I also want to be sure that you're not a menace to others. Of course you'll have to pay for the insurance."

"How much will it be?" "Around \$50 a year."

"If you get it for me, could I pay you back \$1 a week?" "You have to pay on the car, you'll have operating expenses, repairs, a license to buy ..."

"Well," Ricky said, "if I get that job at the grocery store I ..."

"Get the job before you make any promises," his father said. (To Be Continued)

Junior-Seniors  
Have Gala Night

The Juniors Class of the Prescott High School honored the Seniors class at a banquet at the high school cafeteria on Friday evening.

The theme for the evening was "Hitch Your Wagon to a Star". On each side of the room were large card board wagon covered with glitter from which blue lights extended to stars on the wall. Runners of ivy interspersed with white candles in silver holders decorated the tables. Silver stars were placed at points of interest.

The invocation was given by Marilyn Lee.

Scott Weaver, president of the Junior Class, served as master of ceremonies and the following program was presented:

"Wishing Stars" by the Little Dipper — Scott Weaver.

"Holiday in Stardom" by the Big Dipper — Jack Gordon.

"Stardust" — Rev. W. D. Golden.

"Hitch Your Wagon to a Star" by Lord Saturn — Mr. McLelland.

"Shooting Stars" — Flying Comet Gene Hale.

"The Milky Way" by the women in the noon — Martha Ledbetter.

Musical selections by Mrs. Lera Johnson.

"The World Is Waiting For The Sunrise by Little Sunbeam" — Bill Clark.

Following the banquet the Prom was enjoyed at the Legion Hut that was decorated in the same theme.

Over head stars twinkled on the milky way and white clouds floated on either side over the dance floor outlined with blue and white markers, white candles in silver holders banked the mantel that had a background of stars on blue paper.

The tables and snack bar were overlaid with blue cloths sprinkled with stars.

Mr. and Mrs. Julius Adams and Mr. and Mrs. Clive McLelland were chaperones.

Members of the two classes and their guests were then guests of the P. T. A. at a gala Hollywood premiere at the Nevada theatre.

The street was roped off with gay colored lights, and flood lights illuminated the couples as they entered the theatre through an arch entwined with ivy and roses and were received by Mrs. Frank Halton, Jr. and Mrs. J. T. Worthington.

Autograph seekers and doormen to park automobiles were on hand.

Mrs. Jess Hays, chairman of the premiere activities, greeted the arrivals and they were welcomed by Mayor Bill Ward, Rev. W. D. Gol-

den served as master of ceremonies to introduce and interview the honored guests. Mrs. H. H. McKenzie, president, was fashion commentator. Impressions of the hands of the honored guests were made in dough and tape recordings were made by KXAR, Hope and moving pictures were taken.

The climax for the evening was the breakfast held at the Teenage Club that was also sponsored by the P. T. A.

The tables were centered with bouquets of mixed flowers placed on silver stars. Two large floor baskets were filled with roses and Queen Ann's lace.

Mrs. Lucille Elgin of Texarkana, a former teacher, furnished music for dancing.

At 3:45 a. m. the Senior Class accompanied by Mrs. Clive McLelland and Mr. and Mrs. Boyd Arnold left by bus for a trip to New Orleans.

And so ended a night that will long be remembered by the members of the 1934 Junior and Senior classes of Prescott High School.

## Little Loop Rosters Completed

Little League Managers held their annual auction at Youth Center Monday afternoon to fill the vacancies in the 1954 rosters.

A total of 36 players from this year's crop of up and coming Little Leagueers were added respectively to each of the 6 Little League teams.

The remaining Little League's, primarily of the 9 and 10 year age groups, who tried for regular positions on one of the existing teams and were not "Bought," will be formed into a 4-team minor-league and will play a regular schedule the same as the larger boys.

Every boy 9 years of age and above, desiring to play baseball, will get his chance, although only 90 Little League's will play in regular uniforms.

The tentative dates set for the opening of Little League Championship play is June 8th, although practice games may be played before the formal opening.

Little League Officials ask city-wide co-operation in bringing baseball opportunities to every baseball-minded youngster. Every citizen plays a part in this program and can be a tremendous help in thousands of ways. Please offer your help.

**Nashville Gets a Third Baseman**

NASHVILLE, Tenn. (AP) — The Nashville Vols have acquired third baseman Floyd Fogg from Charleston of the American Association and first baseman Larry Dippippo from Louisville, also of the American Association.

Fogg hit .286 and belted 37 home runs for Memphis last season. Dippippo, a former Birmingham player, has been in military service the last two years.

**Favorites Still in the Running**

LITTLE ROCK (AP) — All favorites still were in the running for the Arkansas women's golf championship this morning but at least one was sure to be missing from the field by nightfall.

That's because two of them, Mrs. Gordon Perrin of El Dorado and Mrs. Don Chronister of Little Rock, were matched against each other in today's second round.

Mrs. Perrin is shooting for an unprecedented fifth consecutive crown. Mrs. Chronister is a former state champ.

Other matches today were: Mrs. Carle Robbins, Fort Smith, vs. Mrs. Ned Stewart, Texarkana; Betty Rushing, El Dorado, vs. Mrs. H. L. Woodward, Little Rock; Mrs. Joe Miller, Hot Springs vs. Mrs. J. M. Williams, Little Rock.

In addition to Mrs. Perrin and Mrs. Chronister, the favorites were Mrs. Robbins and Miss Rushing. Of the four, only Miss Rushing had difficulty in yesterday's first round. She had to go 19 holes to get past former Little Rock Dell Wortz of Fort Smith. After 18 holes Miss Wortz led by two, but Miss Rushing won the next two to tie it up and then took the extra hole.

Other first round results: Mrs. Perrin defeated Mrs. Williams, Pine Bluff, 4 and 2. Mrs. Chronister defeated Mrs. Tom Lichty, Fort Smith, 4 and 3. Mrs. Robbins defeated Mrs. W. N. Grimmett Jr., Little Rock, 5 and 4.

Mrs. Stewart defeated Mrs. Dane Harris, Hot Springs, 4 and 2. Mrs. Woodward defeated Mrs. Carl Cloud, Little Rock, 2 and 1. Mrs. Miller defeated Mrs. Fred Buckman, Little Rock, 2 and 1. Mrs. Williams defeated Mrs. William Camerer, Little Rock, 1 up on 20 holes.

## Rosen Up to Old Tricks

CLEVELAND (AP) — Al Rosen, who won the American League home run and runs batted in titles in 1953 and finished second in the batting race, was in the spot in all three departments today.

The hard-hitting Indians' third baseman paces the junior circuit in homers with eight and runs batted in with 36. At .375, he's runner-up to teammate Bobby Avila, the loop's top hitter, at .379.

Al had two one-run runs and drove in three runs in last night's game against the Red Sox.

## Crackers Rap Travlers by Big Score

FOLKS in Arkansas call their state the "Land of Opportunity," and Leo Cristante and the Atlanta Crackers took them at their word. The Crackers turned the tables and did some knocking on opportunity's door last night, winding up with their biggest run production of the season in a 14-7 victory over Little Rock.

Cristante, provided an eight-run cushion in the first two innings, breezed along to his seventh victory of the season against one defeat.

That's quite a contrast with last year, when at this stage the big right-hander boasted only one victory. Leo the Lion now has won he said, "what with having to follow Musial in the batting order. In order to win an RBI title, a fellow has got to be up there a lot with men on the bases. With Stan hitting all those home runs, he doesn't leave me many guys to drive in. ## Race Tight for Lead in the National Loop

BY BEN PHLEGR  
Associated Press Sports Writer

Before long they may have to install traffic signals to untangle the jam that's developing in the race for first place in the National League.

Seven of the eight clubs—everybody but Pittsburgh—have joined in the fun. And even the Pirates have been winning often enough to keep the others wary.

Only a two-game spread separates the Chicago Cubs in seventh place from the Philadelphia Phillies and Brooklyn Dodgers, who are deadlocked at the top.

The Cubs, who have played fewer games even closer in the vital "games lost" column, Chicago has lost 14 games, the Phils and Dodgers 13 each.

With the race so tight, a single victory or loss can send a team bouncing up or down the standings. Last night, for example, the New York Giants went into their game with the St. Louis Cardinals in third place but with a chance to take over first if they won. Instead, they got beat 9-3 and tumbled to fourth.

The Cardinals took over third, where they thrall the leaders by a bare four percentage points.

Brooklyn and Philadelphia both lost last night. The slumping Dodgers again were held to a single run and bowed 7-1 to Warren Hacker and the Chicago Cubs. Milwaukee beat the Phillies 6-2. Cincinnati defeated Pittsburgh 6-3 in the other National League contest.

The first-place race in the American League also is close but doesn't go as deep into the standings. Fourth-place Detroit is only two games out but Baltimore in fifth, is 6½ behind.

Cleveland hung on to the lead by whipping Boston 6-3 for its sixth straight victory. The New York Yankees moved into second with a come-from-behind verdict over the Chicago White Sox 4-3. Detroit trimmed Philadelphia 8-3 and Washington defeated Baltimore 3-1.

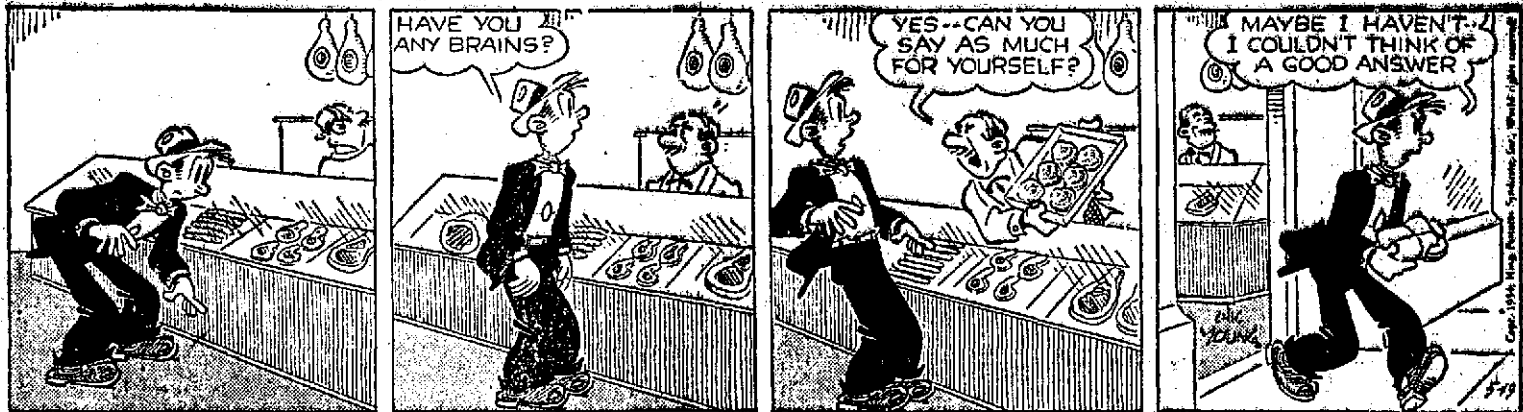

The Cardinals converted six hits into six runs in the first two innings with the help of two Giant errors. Red Schoendienst hit his first homer in the eighth. Hank Thompson hit one for the Giants. Gerry Staley stayed the distance for the second time this season and picked up his third victory. Stan Musial singled twice, walked twice and struck out.

While Hacker was taming Brooklyn, the White Sox pulled away to a 3-0 lead only to get caught by the Yankees in the eighth when, with two out and one on, Gene Woodling hit a home run.
